

2012 Baseball Rules Clinic Instructions

The 2012 Baseball Rules Clinics will be offered online from **Monday, January 16, 2012 to Sunday, February 12, 2012**. The online rules clinic consists of a video presentation and a 10 question quiz presented at the conclusion of the video. You must answer 8 questions correctly in order to receive credit for attending the clinic. If you do not answer 8 questions correctly you must view the video presentation in its entirety and answer the questions again. You can view the presentation and take the quiz any time day or night during the assigned period.

The online rules clinic will be offered through our LHSAA coaches "portal". You will need a username and password to access this portal. If you don't have one you must go to your principal so he/she can provide you with one.

Starting January 16th, login to <http://www.lhsaaonline.org> using the username and password provided to you by your principal. Once you login into the system, click on the "Online Clinics" tab then click on the "Online Baseball Clinic." If you don't see this link it means that you are **NOT** registered in the system as the head baseball coach. Please contact your principal to correct this issue.

You will **NOT** be able to pause, rewind, or advance the video. Once the video presentation is finished you will have 30 seconds to start the quiz. If you do not start the quiz in this period the system will not let you continue and you must start the video presentation from the beginning.

You have 10 minutes to answer the 10 questions. If you answer 8 correctly you will be credited with attending the clinic otherwise you must restart the presentation and take the quiz again until you can answer 8 questions correctly.

When answering the questions, you must click the SUBMIT button before clicking the NEXT button or your answers will not register.
