Dear High School Tennis Coach:

Drew Meyers  
Executive Vice President

Thank you for all you do in working with your tennis team! As the Junior Tennis Director for the state of Louisiana, I did want to let you know that there are other play opportunities for your players before, during, and after the season. In many instances your players may pick up their racquets in January and put them down after the season ends after the state tournament.

Robert Worley  
Vice President

Kathrin Sieberth  
Vice President

Cindy Barksdale  
Secretary

Robert Daigle  
Treasurer

The opportunities before, during, and after your season include involvement in either Jr. Tournaments throughout the state and also Team Tennis. Team Tennis is a great way to increase play opportunities, especially if you are 'no-cut' program.

Wayne Bono  
Immediate Past President

Executive Director  
Diana Beauregard

If you would like more information on either Jr. Tournaments or Team Tennis, please feel free to contact me at your convenience. We all just want to see tennis grow, and our players have more opportunities for play. I look forward to hearing from you!

Thank you again for all you do!!
