- Principals will be able to download a class/division team certificate and complete for students from their school. A list of all students making the class/division team will be posted on the **Members online website**.
Print the Class/divisional team awards for your Award presentation.
- **Principals will be notified by email if a student from their school makes the composite team. The school will then have 10 calendar days to submit the students' transcript (by fax) to Renee Ballard at 225-296-5919.**
- Once all composite GPA's are verified, the student will be sent a form, to be returned, confirming their attendance at the state championship event, for that sport, to receive their plaque. Only those students choosing to attend and returning the request will be honored. **NOT THE CLASS TEAM-ONLY THE COMPOSITE**
