2. If the team on which the wheelchair contestant participates would have won the meet without counting the points scored by the wheelchair contestant, it shall be declared the outright champion or runner-up. This includes all regular season, district, regional and state meets. **Example #3** - Team "A" has one wheelchair participant entered in four events and scores 4 points. Team "B" does not have a wheelchair participant in the meet. Team "A" finishes first with 60 points. Team "B" finishes second with 50 points. **Ruling:** - Team "A" is declared the outright champion. Team "A" finishes with 51 points plus 4 wheelchair points and team "B" finishes with 51 points plus 2 wheelchair points. **Ruling:** - Teams A & B are declared co-champions. (The same ruling would apply when determining the runners-up team.)

**23.7.7** If a wheelchair **participant** competes against another wheelchair **participant** in the same sport (boys/girls), in the same classification and in the same event, the contestant that finishes first shall be declared the champion and shall score 2 team points. The other contestant in that event shall score 1 point. For 3 wheelchair participants, the points awarded shall be 3-2-1. This scoring shall continue to a maximum of 6 wheelchair participants. Minimum required standards **at the local, district, and regional level** shall be:
