Re: School Designation – Playoff Divisional Alignment  
Date: April 22, 2024

=====

Attached to this memorandum please find the select / non-select designation for all member schools for the 2024 - 2026 school years as well as the divisional placements in the sports of Football, Basketball, Softball and Baseball. These placements are set for 2 years and will be adjusted during the next reclassification period in October 2025. This designation is based upon the definition of a select school that can be found in the glossary of the LHSAA handbook as well as in this memorandum.

Select shall mean private or public schools that have a state or parish approved designation as a lab school, magnet school(s) with one or more magnet component(s), approved charter schools, parish wide approved open enrollment, state recovery district (RSD) application-based parish schools, tuition based schools and/or any established academic and/or retention-days based criterion schools.

There were 13 appeals heard by the Executive Committee on 4/17/2024 with 1 appeal being accepted. The change is reflected in the revised list attached to this memorandum.
