### Proposed Amendment Changes

3.5.2 Before a school can be admitted as a member of the LHSAA, its application shall be approved by a majority vote of the Executive Committee. Applications for membership shall only be considered by the Executive Committee during the spring Executive Committee meeting. A school shall not be allowed to join the LHSAA at any other time. A school shall be classified according to its enrollment. If accepted, a school's membership shall not become effective until July 1 of the next school year. A new school joining the LHSAA shall also be governed by the following requirements:

1. A school may be admitted into the LHSAA on a one-year conditional basis until the school is placed into a district. A new school can only be placed in a district in a reclassification year. During the conditional period, a school is subject to having its membership revoked if it is penalized for a flagrant rule violation or three other rule violations.

Please list ALL bylaws and/or articles that are affected by this amendment:

Explanation of proposed amendment(s):

New Schools will only be placed into districts on classification years in order to help district chairpersons and current membership plan schedules in advance and not have to change a schedule to add a new member school.

Pros: (Must have at least one)

Cons: (Must have at least one)

District chairpersons and current membership will be able to confirm a complete schedule in advance.	New member schools accepted to membership on a non-classification year will have to wait 2 years to play in a district.

# 2

Date:

Amendment Author(s):

Printed Name(s)	Signature(s)	School(s)
Executive Committee		

**Passed under Bylaw 4.4.4 by the Executive Committee at the 2022 Spring Executive Committee Meeting.**

### PROPOSED AMENDMENT

Select Amendment Section (2022-2023 LHSAA Handbook):  Constitution  Administrative Bylaws  Athletic Bylaws

Specific Article or Bylaw Number(s) to Amend:

(Note: List all Bylaws within the section selected above that will be amended)

**Proposed Amendment Details:** (Note: To amend a bylaw please make ALL changes in red, strike through any deletions, and underline any additions. If proposing a new amendment to add to the Constitution or Bylaws select a new number in sequence with the section article or bylaw.)

### Proposed Amendment Changes

3.5.2 Before a school can be admitted as a member of the LHSAA, its application shall be approved by a majority vote of the Executive Committee. Applications for membership shall only be considered by the Executive Committee during the spring Executive Committee meeting. A school shall not be allowed to join the LHSAA at any other time. A school shall be classified according to its enrollment. If accepted, a school's membership shall not become effective until July 1 of the next school year. A new school joining the LHSAA shall also be governed by the following requirements:

~~5. An applying school and/or student(s) may participate in athletics but is ineligible for postseason play until accepted.~~

Please list ALL bylaws and/or articles that are affected by this amendment:

**Explanation of proposed amendment(s):**

New schools that would like to become members of the LHSAA cannot play current member schools because new schools may not meet the requirements to become a member school and just completed an application.

**Pros:** (Must have at least one)

**Cons:** (Must have at least one)

Current schools will clearly be aware of who they can and can't play.	Schools that want to gain membership cannot fill out an application and start playing member schools.
---	---

**DEADLINE:** Forms are due August 31, 2022. Email completed form to Kathie Smith at [ksmith@lhsaa.org](mailto:ksmith@lhsaa.org). Per LHSAA Handbook Article 7.2.4, a principal submitting a proposal must present that proposal to the Handbook Committee TBD.

# Proposal to Amend Constitution or Bylaws

# 3

Date: 5-18-2022

Amendment Author(s):

Printed Name(s)	Signature(s)	School(s)
Executive Committee		
Passed under Bylaw 4.4.4 by the Executive Committee at the 2022 Summer Executive Committee Meeting.		

### PROPOSED AMENDMENT

Select Amendment Section (2022-2023 LHSAA Handbook):  Constitution  Administrative Bylaws  Athletic Bylaws

Specific Article or Bylaw Number(s) to Amend:

Bylaw 4.1.4 (resolve conflict on 2021-22 passed proposal)

(Note: List all Bylaws within the section selected above that will be amended)

Proposed Amendment Details: (Note: To amend a bylaw please make ALL changes in red, strike through any deletions, and underline any additions. If proposing a new amendment to add to the Constitution or Bylaws select a new number in sequence with the section article or bylaw.)

### Proposed Amendment Changes

- 4.1.4 Subject to the approval of the school principal, a coach may have out-of-season organizational meetings with his/her players or potential players. Other than these organizational meetings, a coach shall not may organize, supervise, administer, or direct out-of-season practices, meetings, or gatherings of student-athletes in the school. This includes: tryouts, informal workouts in a particular sport, and classroom sessions in a particular sport. Restrictions do not include strength and conditioning programs; these programs shall be allowed under this rule (subject to the approval of the school principal).
- ~~4.1.6 Subject to the approval of the school principals, coaches may teach the fundamental skills and techniques of the specific sport during the out-of-season period with a limited number of student athletes. Outside the sports seasons but during the school year, coaches are prohibited from providing coaching at any one time under one roof, facility, or campus to more than four students in grades 7-12 of the school or school system for which they coach. This does not allow two coaches to coach eight students from the same school; no matter how many coaches are present, no more than four players per session from the same school may be involved in out-of-season drills and techniques during the school year. This not only applies to the specific sport(s) coached by the coach, but it applies to all levels and all genders, whether the coach is paid or volunteers.~~
- 4.3 OUT OF SEASON - DURING THE SCHOOL YEAR - Schools shall not require or sponsor activities in the name of the school team outside the school season of the sport involved. A school sponsored team or group of any number of students sponsored by the school which resembles the school's team, is not permitted to practice or compete outside the LHSAA defined season for that sport. Any non-school group can sponsor activities which involve groups of athletes which are mainly or exclusively members of a school team but a school cannot sponsor practice or a competition by its team out of season. Students may participate on a voluntary basis in any activity, as a member of a non-school team or on an individual basis. Neither the member school nor its coaches shall allow the out-of-season activity to be mandatory or to be any part of the basis for selection of the school team. Exception: Athletic periods approved by the Louisiana Department of Education and member school superintendents and principals.

Please list ALL bylaws and/or articles that are affected by this amendment:

Bylaws with evaluation periods.

Explanation of proposed amendment(s):

Create the ability for schools to determine when tryouts are conducted.

Pros: (Must have at least one)

Cons: (Must have at least one)

Removes conflicts with other sections of the handbook.

Principals must communicate with coaches about planning tryouts to accommodate multi-sport athletes.

DEADLINE: Forms are due August 31, 2020. Email completed form to Kathie Smith at ksmith@lhsaa.org. Per LHSAA Handbook Article 7.2.4, a principal submitting a proposal must present that proposal to the Handbook Committee on September 24, 2020.

Executive Committee		
Passed under Bylaw 4.4.4 by the Executive Committee at the 2022 Spring Executive Committee Meeting.		

### PROPOSED AMENDMENT

Select Amendment Section (2022-2023 LHSAA Handbook):  Constitution  Administrative Bylaws  Athletic Bylaws

Specific Article or Bylaw Number(s) to Amend:

Bylaw 4.1.4 (resolve conflict on 2021-22 passed proposal)

(Note: List all Bylaws within the section selected above that will be amended)

**Proposed Amendment Details:** (Note: To amend a bylaw please make ALL changes in red, strike through any deletions, and underline any additions. If proposing a new amendment to add to the Constitution or Bylaws select a new number in sequence with the section article or bylaw.)

### Proposed Amendment Changes

- 4.1.4 Subject to the approval of the school principal, a coach may have out-of-season organizational meetings with his/her players or potential players. Other than these organizational meetings, a coach shall not may organize, supervise, administer, or direct out-of-season practices, meetings, or gatherings of student-athletes in the school. This includes: tryouts, informal workouts in a particular sport, and classroom sessions in a particular sport. Restrictions do not include strength and conditioning programs; these programs shall be allowed under this rule (subject to the approval of the school principal).
- ~~4.1.6 Subject to the approval of the school principals, coaches may teach the fundamental skills and techniques of the specific sport during the out-of-season period with a limited number of student athletes. Outside the sports seasons but during the school year, coaches are prohibited from providing coaching at any one time under one roof, facility, or campus to more than four students in grades 7-12 of the school or school system for which they coach. This does not allow two coaches to coach eight students from the same school; no matter how many coaches are present, no more than four players per session from the same school may be involved in out-of-season drills and techniques during the school year. This not only applies to the specific sport(s) coached by the coach, but it applies to all levels and all genders, whether the coach is paid or volunteers.~~
- 4.3 OUT OF SEASON - DURING THE SCHOOL YEAR - Schools shall not require or sponsor activities in the name of the school team outside the school season of the sport involved. A school sponsored team or group of any number of students sponsored by the school which resembles the school's team, is not permitted to practice or compete outside the LHSAA defined season for that sport. Any non-school group can sponsor activities which involve groups of athletes which are mainly or exclusively members of a school team but a school cannot sponsor practice or competition by its team out of season. Students may participate on a voluntary basis in any activity, as a member of a non-school team or on an individual basis. Neither the member school nor its coaches shall allow the out-of-season activity to be mandatory ~~or to be any part of the basis for selection of the school team.~~ Exception: Athletic periods approved by the Louisiana Department of Education and member school superintendents and principals.

Please list ALL bylaws and/or articles that are affected by this amendment:

Bylaws with evaluation periods.

Explanation of proposed amendment(s):

Create the ability for schools to determine when tryouts are conducted.

Pros: (Must have at least one)

Cons: (Must have at least one)

Removes conflicts with other sections of the handbook.	Principals must communicate with coaches about planning tryouts to accommodate multi-sport athletes.

Select Amendment Section: (double click box to select)  Constitution  Administrative Bylaws  Athletic Bylaws

Specific Article or Bylaw Number(s) to Amend:

Bylaw 5.11.12.1-2 (new)

(Note: List all Bylaws within the section selected above that will be amended)

Proposed Amendment Details: (Note: To amend a bylaw please make ALL changes in **red**, strike through any deletions, and underline any additions. If proposing a new amendment to add to the Constitution or Bylaws select a new number in sequence with the section article or bylaw.)

### Proposed Amendment Changes

#### 5.11.12 SUSPENSION FROM ATHLETIC ACTIVITIES FOR UNSPORTING CONDUCT

1. Anytime an egregious act of unsportsmanlike conduct occurs, the team and/or individual(s) may be suspended from participation in that sport for the remainder of the season. Egregious acts of unsportsmanlike conduct will be defined as instances not within the NFHS or LHSAA adopted rules of the contest. In the event the second act of misconduct occurs when there are no contests left in the current season, the penalty will be enforced in the next season in the same sport.
2. The penalties for a school whose coach(es), player(s), team or spectator(s) display unsporting conduct are as follows:
  - a. The school may be placed on disciplinary, restrictive, or suspension probation not to exceed one calendar year on the first offense.
  - b. On the second offense, the team and/or individuals shall be suspended for the remainder of the season including postseason.
  - c. The school may be charged with the cost of any investigation connected with the violation.
  - d. The school may be charged with the cost of conducting a sportsmanship hearing that is held in connection with the violation.
  - e. The school may be ordered to conduct a home and/or an away contest(s) in the sport without a player(s), a coach(es), and/or a spectator(s) in attendance not to exceed one calendar year.
  - f. The school may be prohibited from playing home contests in the sport not to exceed one calendar year.
  - g. Other penalties may be imposed on the school and/or individual(s) to a degree in keeping with the severity of the violation.

Please list ALL bylaws and/or articles that are affected by this amendment:

\*Renumber current Bylaw 5.11.12 and subsequence numbers to Bylaw 5.11.13.\*

Explanation of proposed amendment(s):

Due to the rise in unsportsmanlike behavior by students, coaches, and spectators this penalty would encompass a more severe penalty for those who act egregiously.

Pros: (Must have at least one)

Cons: (Must have at least one)

Codifies a penalty that addresses those who act egregiously. Established a first offense warning that puts all on notice that a second offence will result in the loss of the season.

If teams do not adhere to the rule they would not be able to finish their season and potential loss monetary value from lack of games. Student may be penalized for the inability of adults to control their own behavior.

DEADLINE: Forms are due **August 31, 2022**. Email completed form as a word document to Kathie Smith at [ksmith@lhsaa.org](mailto:ksmith@lhsaa.org). Per LHSAA Handbook Article 7.2.4, a principal submitting a proposal must present that proposal to the Handbook Committee on **September 22, 2022**.

1. When one team leads by 35 or more points at any time during the game, the officials shall use a running clock to time the game; 2. If the score differential becomes less than 35 points at any time during the game, the officials shall not revert to regular timing; 3. By mutual agreement of the opposing coaches and the referee, a running clock may be used at any time during the game.
2. Running Clock Operations:
  - a. The clock will be run continuously during: Jump ball possessions; Out of bounds plays; free throws.
  - b. The clock shall be stopped for: Time Outs; Injuries; Technical fouls; any other time the officials address a situation that requires an excessive amount of time to resolve.

Please list ALL bylaws and/or articles that are affected by this amendment:

**Pros:** (Must have at least one)

**Cons:** (Must have at least one)

Teams would not have an exceedingly large difference in points scored.

Teams would not be able to continuously run up the score on an opposing team.

(Note: List all Bylaws within the section selected above that will be amended)

Article 3.5.1(5) and Article 3.5.2(1-7)

### Proposed Amendment Changes

#### 3.5 APPLICATION

3.5.1 A non-member school desiring membership in the LHSAA may make written application and shall supply the Executive Director's office with all requested information. To become a member of the LHSAA, the school applying for membership shall:

5. Once membership application is approved the new member school must maintain the minimum 75 actual students in the school in grades 9-12. If the new member school does not maintain the minimum number of 75 actual students after its ~~one~~ two-year conditional basis, the school's membership will be revoked. *Exemption: All current LHSAA member schools that have been included in the previous last three (3) consecutive classifications and have met all minimum requirements per Classification Criteria Article 8.7 in the 2020-2021 Official LHSAA Handbook.*

3.5.2 Before a school can be admitted as a member of the LHSAA, its application shall be approved by a majority vote of the Executive Committee. Applications for membership shall only be considered by the Executive Committee during the spring Executive Committee meeting. A school shall not be allowed to join the LHSAA at any other time. A school shall be classified according to its enrollment. If accepted, a school's membership shall not become effective until July 1 of the next school year. A new school joining the LHSAA shall also be governed by the following requirements:

- All new membership application shall be accepted during the fall of a reclassification school year (odd number years). Example: Applications shall be accepted between August-December 2023, 2025, and 2027.
- A school may be admitted into the LHSAA on a ~~one-year~~ conditional basis until the school is placed into a district. A new school can only be placed in a district in a reclassification year. During the conditional period, a school is subject to having its membership revoked if it is penalized for a flagrant rule violation or three other rule violations.
- Any school applying for membership shall have its administrators, athletic director, and head coaches, attend a mandatory meeting conducted by LHSAA officials that fully reviews and explains all eligibility rules and regulations of the Association. Any administrator, athletic director, or head coaches who does not attend the mandatory meeting or who accepts one of the listed positions at the school during the one-year probation period shall be required to complete the online LHSAA Handbook Certification class or enroll, complete, and pass the LHSAA/NFHS Online Fundamentals of Coaching Course.
- All written contracts, schedules, and agreements to participate in an invitational tournament which shall also serve as a contract in all sports shall be signed by the school principal during this conditional period.
- Upon being accepted for membership, a school shall pay dues based on its current year's classification.
- ~~An applying school and/or student(s) may participate in athletics but is ineligible for postseason play until accepted.~~
- During the conditional period, a school and/or student(s) shall not be considered for postseason play in any branch of athletics. *Exception: A school will not be considered for postseason play in football until the next reclassification cycle.*

Please list ALL bylaws and/or articles that are affected by this amendment:

3.5.2.1, 3.5.2.2, 3.5.2.3, 3.5.2.4. The above bylaws would have their numerical designation increased by 1.

# Proposal to Amend Constitution or Bylaws

# 1

## Explanation of proposed amendment(s):

This proposal will allow new schools to have a 2-year probationary period to allow for a longer time period to understand the rules and regulations of the LHSAA. It will allow for more time to determine if a sports program at the school will be sustainable. This will also prevent current member schools from having to redo schedules in off years.

### Pros: *(Must have at least one)*

Allows for new member schools to become acclimated with the rules and regulations of the association. Prevents current member schools from having to redo their schedules in an off-year.

### Cons: *(Must have at least one)*

Schools cannot apply every year.

**DEADLINE:** Forms are due August 31, 2022. Email the completed form as a word document to Kathie Smith at [ksmith@lhsaa.org](mailto:ksmith@lhsaa.org). Per LHSAA Handbook Article 7.2.4, a principal submitting a proposal must present that proposal to the Handbook Committee on September 22, 2022.

# Proposal to Amend Constitution or Bylaws

# 6

Date: 8/31/2022

Amendment Author(s):

Printed Name(s)	Signature(s)	School(s)
Ginny Medina-Hamilton		Vandebilt Catholic High School

### PROPOSED AMENDMENT

Select Amendment Section (2022-2023 LHSAA Handbook):  Constitution  Administrative Bylaws  Athletic Bylaws

Specific Article or Bylaw Number(s) to Amend:

Bylaw 3.3.1(5)

(Note: List all Bylaws within the section selected above that will be amended)

**Proposed Amendment Details:** (Note: To amend a bylaw please make ALL changes in red, strike through any deletions, and underline any additions. If proposing a new amendment to add to the Constitution or Bylaws select a new number in sequence with the section article or bylaw.)

### Proposed Amendment Changes

Bylaw 3.3.1

5. Full time dean of students, librarian, counselor, **or other administrative liaison/teacher leader such as a director, master teacher, or instructional coach** not assigned to teaching duties - shall be eligible to coach at the school provided he/she has a valid teaching certificate issued by LED. The individual shall hold at a minimum, a bachelor's degree from a regional accredited university or college and meets the applicable administrative provisions published in Bulletin 741 as adopted by the BESE for public and non-public schools. The school shall be limited to one full-time Dean of Students for the boys, and one full-time Dean of Students for the girls.

Please list ALL bylaws and/or articles that are affected by this amendment:

Bylaw 3.3.1 #1 and #5

**Explanation of proposed amendment(s):**

Full-time teachers are often promoted/moved to leadership positions on campus where they serve as teacher leaders and a liaison to the administrative team. These roles often are not assigned to teaching duties. The roles of director, instructional coach, or master teacher is a full time role held by certified teachers with experience in the classroom. In the way that the by-laws are presently worded, these full-time teacher leaders are exempt as faculty coaches though they are on campus full time working with students, faculty, and staff. For schools that function independent of a District Central Office, teacher leaders such as "Director of Student Services," "Director of Facilities and Transportation," "Director of Student Activities," "Director of Alumni Relations," "Director of Communications," "Director of Advancement," etc. are usually full time positions in an independent or private school. These roles should not be exempt from serving as faculty coaches and should not have to count in the non-faculty coach's count as they are on campus full-time.

**Pros:** (Must have at least one)

**Cons:** (Must have at least one)

Faculty coaches who show exemplary leadership as an educator will not have to choose between a leadership position and coaching if offered a teacher leader position. Additionally, it truly reflects the rule as these teachers are full-time faculty.

Schools may try to take liberties in what they identify as a "teacher leader" position and may attempt to hire unqualified teacher leaders for the purpose of using them as faculty coaches and reduce the amount of non-faculty coaches. (However, with the provisions set in the rule, a valid teaching certificate is still needed.)

**DEADLINE:** Forms are due **August 31, 2022**. Email completed form as a word document to Kathie Smith at [ksmith@lhsaa.org](mailto:ksmith@lhsaa.org). Per LHSAA Handbook Article 7.2.4, a principal submitting a proposal must present that proposal to the Handbook Committee on **September 22, 2022**.

### Proposed Amendment Changes

Bylaw 3.4.6 A **dual gender** school shall be limited to five non-faculty coaches per sport and not more than 30 non-faculty coaches' total per school year excluding football and limited to six non-faculty coaches in football. **A single gender school shall be limited to five non-faculty coaches per sport and not more than 15 non-faculty coaches' total per school year excluding football and limited to six non-faculty coaches in football.** A **dual gender** school will be limited to not more than 30 non-faculty coaches per school year unless the school has six non-faculty football coaches and then they will be limited to not more than 31 non-faculty coaches for the year. **A single gender school will be limited to not more than 15 non-faculty coaches per school year unless the school has six-non-faculty football coaches and then they will be limited to not more than 16 non-faculty coaches for the year.**

Please list ALL bylaws and/or articles that are affected by this amendment:

3.4.6

Explanation of proposed amendment(s):

Because all schools have the same maximum number of non-faculty coaches this provides single gender schools with an unfair advantage due to having half the number of sports as a dual gender school. By adjusting the total number of coaches by half it provides all schools with a more equal environment.

Pros: (Must have at least one)

Cons: (Must have at least one)

Provides greater equality between single and dual gender schools

Some single gender schools may have to let some coaches go to get under the maximum number.

DEADLINE: Forms are due **August 31, 2022**. Email completed form as a word document to Kathie Smith at [ksmith@lhsaa.org](mailto:ksmith@lhsaa.org). Per LHSAA Handbook Article 7.2.4, a principal submitting a proposal must present that proposal to the Handbook Committee on **September 22, 2022**.

#### Proposed Amendment Changes

Bylaw 3.6.4 ~~Retiring means void of any educational responsibilities at any grade level (K-12). Resigning and/or retiring only coaching does not meet this criteria. An individual, with at least 25 years of high school coaching experience in Louisiana school systems, retiring or resigning from coaching, would be eligible to receive a Lifetime Card.~~

Please list ALL bylaws and/or articles that are affected by this amendment:

Explanation of proposed amendment(s):

Those retiring or resigning from coaching duties but retaining educational duties as a teacher or staff member. School systems and schools in our state are suffering from shortages in the classroom. We are seeing many individuals who are retiring from coaching and remaining in the classroom as a teacher to assist in this shortage.

Pros: (Must have at least one)

Cons: (Must have at least one)

Recognize those who have invested 25+ years into coaching with a Lifetime Card.

# Proposal to Amend Constitution or Bylaws

# 15

Date:

Amendment Author(s):

Printed Name(s)	Signature(s)	School(s)
Executive Committee		

### PROPOSED AMENDMENT

Select Amendment Section (2022-2023 LHSAA Handbook):  Constitution  Administrative Bylaws  Athletic Bylaws

Specific Article or Bylaw Number(s) to Amend:

(Note: List all Bylaws within the section selected above that will be amended)

Proposed Amendment Details: (Note: To amend a bylaw please make **ALL** changes in **red**, strike through any deletions, and underline any additions. If proposing a new amendment to add to the Constitution or Bylaws select a new number in sequence with the section article or bylaw.)

### Proposed Amendment Changes

Bylaw 6.6.3 The sports of varsity golf, gymnastics, ~~and tennis~~, **cross country, and wrestling** will be dropped after each season if schools or individuals from those schools do not participate in postseason play. These sports may be added back each September 15th with no penalty for postseason play if student-athletes who wish to participate are identified by the school.

Please list ALL bylaws and/or articles that are affected by this amendment:

Explanation of proposed amendment(s):

**Cross country** is now a divisional sport with qualifying from the regional meet to the state meet. The regional alignments are to have the same or nearly the same number of schools to maintain equity in competition and qualifying. Dropping schools that do not participate after the season helps to maintain equity in divisional and regional alignments during the next classification period.

**Wrestling** divisional alignments are skewed each classification year by schools who are continually incorporated in reclassification that either never have students who participate or don't actually compete in the postseason. Dropping schools that do not participate after the season helps to maintain equity in divisional alignments during the next classification period.

**Pros:** (Must have at least one)

**Cons:** (Must have at least one)

More equitable and even regions and divisions can be created based on schools that actually participate in the sport. Schools that identify student-athletes who wish to participate may add the sport back each September 15th with no penalty on post-season play.

Schools may have to complete a new add sport form when student-athletes who wish to participate are identified. A student-athlete who is identified after September 15th will not be able to participate in postseason if the school does not have the sport.

**DEADLINE:** Forms are due **August 31, 2022**. Email completed form as a word document to Kathie Smith at [ksmith@lhsaa.org](mailto:ksmith@lhsaa.org). Per LHSAA Handbook Article 7.2.4, a principal submitting a proposal must present that proposal to the Handbook Committee on **September 22, 2022**.

### Proposed Amendment Changes

3. Quarterfinal Round of Play ~~(If played on a home-away basis)~~

~~A. The team that has traveled more in the first and second rounds shall be the home team.~~

~~B. If both teams have traveled the same number of times in the first and second rounds, the higher seeded team shall be the home team.~~

C. In the sports of basketball, soccer, and softball, the higher seeded team shall be the home team.

Please list ALL bylaws and/or articles that are affected by this amendment:

6.13.9

Explanation of proposed amendment(s):

This would guarantee the higher seed gets a home game to qualify for the state tournament.

Pros: (Must have at least one)

The higher seed is rewarded for being the higher seed with a home game in the Quarterfinal Round, which they have earned.	The lower seed may have to travel multiple times, causing more expenses for the school.

# Proposal to Amend Constitution or Bylaws

# 19

Date: August 1, 2022

Amendment Author(s):

Printed Name(s)	Signature(s)	School(s)

Micah Coleman		Natchitoches Central

### PROPOSED AMENDMENT

Select Amendment Section (2022-2023 LHSAA Handbook):  Constitution  Administrative Bylaws  Athletic Bylaws

Specific Article or Bylaw Number(s) to Amend:

(Note: List all Bylaws within the section selected above that will be amended)

Proposed Amendment Details: (Note: To amend a bylaw please make ALL changes in red, strike through any deletions, and underline any additions. If proposing a new amendment to add to the Constitution or Bylaws select a new number in sequence with the section article or bylaw.)

### Proposed Amendment Changes

Bylaw 11.6.1

2. A team's power ranking shall be the result of the contest, plus 2 points for playing up, ~~plus the district champions will have 1 point added to their total score~~, plus the opponent's wins divided by the opponent's games played, multiplied by 34 or 44 to get the total power points of each game which is then divided by the total number of games played during the season.

Please list ALL bylaws and/or articles that are affected by this amendment:

11.6.1 #2

Explanation of proposed amendment(s):

We, the Executive Board of the LHSBCA, at the supplication of our state's basketball coaches are requesting that the Executive Council of the LHSAA remove the "1 point" awarded to district champions in the final power ranking given at the end of the regular season in the sports of boys and girls basketball.

Pros: (Must have at least one)

It is our belief that in the current system of select/non-select, the point for district champions is illogical and essentially arbitrary. It is also our belief that the student-athletes involved would be better served by removing that verbiage awarding said point. LHSBCA contends that this promotes and provides a level playing field.

Cons: (Must have at least one)

This could be seen as diminishing the importance of winning district by some.

DEADLINE: Forms are due **August 31, 2022**. Email completed form as a word document to Kathie Smith at [ksmith@lhsaa.org](mailto:ksmith@lhsaa.org). Per LHSAA Handbook Article 7.2.4, a principal submitting a proposal must present that proposal to the Handbook Committee on **September 22, 2022**.

# Proposal to Amend Constitution or Bylaws

### PROPOSED AMENDMENT

Select Amendment Section (2022-2023 LHSAA Handbook):  Constitution  Administrative Bylaws  Athletic Bylaws

Specific Article or Bylaw Number(s) to Amend:

(Note: List all Bylaws within the section selected above that will be amended)

**Proposed Amendment Details:** (Note: To amend a bylaw please make ALL changes in red, strike through any deletions, and underline any additions. If proposing a new amendment to add to the Constitution or Bylaws select a new number in sequence with the section article or bylaw.)

### Proposed Amendment Changes

Bylaw 11.11.4 Game **date and time** shall be set by mutual agreement. If an agreement cannot be reached, the starting time shall be 7:00 p.m of the **deadline date for completion for that round listed in Bylaw 11.1, "Important Dates" section with the exception being if a school's girls' team is playing in the state tournament. If this is the case, the date to play the game then falls on the day before the stated deadline for that date.**

Please list ALL bylaws and/or articles that are affected by this amendment:

**11.11.4**

**Explanation of proposed amendment(s):**

This is to not force schools that have both successful boys and girls basketball teams to 'split' their allegiance between a boys and a girls team. Last year, Northwood - Lena's girls were scheduled to play in the state tournament (semifinals) on the same date as the final date for the boys regional round. Due to administrators not agreeing on a playing date for the boys game (Ringgold, the boys opponent, would not agree to play the day before the girls semifinal game) the boys game, by rule, had to be played on the same day as the girls game. The games were approximately 150 miles away from each other, so this caused numerous conflicts. Parents of siblings, school staff, students, and community members had to 'choose' which game to go to as there was no way to be at the entirety of both. This also cost all schools and the LHSAA financially as the aforementioned groups along with any other fans had to choose which game to attend instead of being able to attend both. This also puts strain on member schools as administration must split up to have both games covered.

**Pros:** (Must have at least one)

**Cons:** (Must have at least one)

-Financial Gain From Higher Attendance, More Officials Available, Less Worry About Administration Being at Games, More Overall Fan Support For the Sport of Basketball, No Spirit Squads (Cheer, Danceline, Etc.) Being Split, Parents of Siblings that are on Both Teams Not Having to Choose Which Game to Attend.

Quick Turnaround Between Boys Playoff Games

**DEADLINE:** Forms are due **August 31, 2022**. Email completed form as a word document to Kathie Smith at [ksmith@lhsaa.org](mailto:ksmith@lhsaa.org). Per LHSAA Handbook Article 7.2.4, a principal submitting a proposal must present that proposal to the Handbook Committee on **September 22, 2022**.

### PROPOSED AMENDMENT

Select Amendment Section (2022-2023 LHSAA Handbook):  Constitution  Administrative Bylaws  Athletic Bylaws

Specific Article or Bylaw Number(s) to Amend:

(Note: List all Bylaws within the section selected above that will be amended)

Proposed Amendment Details: (Note: To amend a bylaw please make **ALL** changes in red, strike through any deletions, and underline any additions. If proposing a new amendment to add to the Constitution or Bylaws select a new number in sequence with the section article or bylaw.)

### Proposed Amendment Changes

Bylaw 12.4.1 The State Championship qualifiers will be determined by a season ranking system. The boys' team competition will have two Divisions, each consisting of 16 teams. Division I will be made up schools in Class 5A. Division II will be made up of schools in Class 4A, 3A, 2A, 1A, B and C. The Top 16 boys' teams from Division I and Division II will be placed in a single elimination bracket. The Top 16 girls' teams will be placed on a single elimination bracket. The Top 80 boys and Top 48 girls will be eligible and paired for State Singles competition. Bowlers tied for final positions will advance. Single bowlers must have a certified USBC season ending minimum 21 game average. Qualification is based on a season ending minimum 21 game average. All teams must play a minimum of ten matches to qualify.

Please list ALL bylaws and/or articles that are affected by this amendment:

12.4.1

Explanation of proposed amendment(s):

Division I would be all schools in Class 5A and Division II would be all schools in Class 4A, 3A, 2A, 1A, B and C. This would allow schools in Class 5A to compete together in a group of 16 and Classes 4A, 3A, 2A, 1A, B and C to compete in a group of 16. Currently 5A schools make up 44% of the participating schools.

Pros: (Must have at least one)

Cons: (Must have at least one)

Allow for smaller schools to have an opportunity to compete for a championship against similar enrollment schools. Does not add to the number of teams that make the playoffs.

Adds another champion and runner up

DEADLINE: Forms are due **August 31, 2022**. Email completed form as a word document to Kathie Smith at [ksmith@lhsaa.org](mailto:ksmith@lhsaa.org). Per LHSAA Handbook Article 7.2.4, a principal submitting a proposal must present that proposal to the Handbook Committee on **September 22, 2022**.

### 2022-2023 LHSAA HANDBOOK - PROPOSED AMENDMENT

Select Amendment Section: (double click box to select)  Constitution  Administrative Bylaws  Athletic Bylaws

Specific Article or Bylaw Number(s) to Amend:

(Note: List all Bylaws within the section selected above that will be amended)

**Proposed Amendment Details:** (Note: To amend a bylaw please make ALL changes in **red**, strike through any deletions, and underline any additions. If proposing a new amendment to add to the Constitution or Bylaws select a new number in sequence with the section article or bylaw.)

### Proposed Amendment Changes

Bylaw 15.3.5 A contestant shall not be allowed to have a cell phone, smart watch, CD player with headphones, or any other communication device on the course at any time during actual competition. Violation of this rule shall be a two-stroke penalty. Use of a range finder and GPS device are permitted. Exception: At the discretion of the tournament director, players may use a cell phone to input scores into a scoring program or app specified by the tournament director. Use of the device for any other purpose, including communicating with teammates or coaches, is expressly prohibited. Written scorecards will remain the official record of each player's score.

Please list ALL bylaws and/or articles that are affected by this amendment:

Explanation of proposed amendment(s):

This amendment will allow coaches, parents, and fans to follow the tournament from other groups or sites. Currently, most college and amateur tournaments allow players to input scores in this manner. Other sports are able to be followed by fans during play. This would allow the same for golf.

**Pros:** (Must have at least one)

- Coaches, parents, and fans can follow their players and teams while watching other players or when not at the event.
- Coaches are better able to follow the progress of their teams and know when their players need to be coached.

**Cons:** (Must have at least one)

There is potential for abuse by players by communicating with teammates or coaches, sharing wind, club, or course information, or other such illegal acts. Golf has always been a self-policing sport and players are expected to police their own infractions.

**DEADLINE:** Forms are due August 31, 2022. Email completed form as a word document to Kathie Smith at [ksmith@lhsaa.org](mailto:ksmith@lhsaa.org). Per LHSAA Handbook Article 7.2.4, a principal submitting a proposal must present that proposal to the Handbook Committee on September 22, 2022.

# Proposal to Amend Constitution or Bylaws

# 24

Date:

Amendment Author(s):

Printed Name(s)	Signature(s)	School(s)
Mia Touchet		St. Louis Catholic
Lee Bellard		Church Point

### PROPOSED AMENDMENT

Select Amendment Section (2022-2023 LHSAA Handbook):  Constitution  Administrative Bylaws  
 Athletic Bylaws

Specific Article or Bylaw Number(s) to Amend:

(Note: List all Bylaws within the section selected above that will be amended)

**Proposed Amendment Details:** (Note: To amend a bylaw please make ALL changes in **red**, strike through any deletions, and underline any additions. If proposing a new amendment to add to the Constitution or Bylaws select a new number in sequence with the section article or bylaw.)

### Proposed Amendment Changes

Bylaw 15.4.21 In district, regional, and state play, golfers shall be grouped so that team members compete in consecutive groups. In district and regional play and in the first round of the state tournament, teams with the lowest qualifying scores shall have the earliest tee times. Players on teams shall be paired from lowest to highest qualifying scores. In the final round of state play, teams with the lowest qualifying scores shall have the latest tee times. Players on teams shall be paired from highest to lowest qualifying scores. In all levels of play, individuals shall be placed in the field according to the discretion of the tournament director.

Renumber subsequent bylaws.

### Please list ALL bylaws and/or articles that are affected by this amendment:

New rule added. There is no existing handbook rule that states how players should be paired. It has been up to the discretion of the tournament director or Executive Director.

### Explanation of proposed amendment(s):

This will allow coaches to more efficiently coach their players, as they will be paired in consecutive groups. Currently, players on the same team are separated by groups of players from other teams. With the change, coaches can be in closer proximity to all their players without distracting other groups by riding or walking through them. Most regular season tournaments use this method.

### Pros: (Must have at least one)

- Coaches have easier access to all their players.
- Less distractions for players from coaches going from group to group.
- Teams competing for championships are paired together.

### Cons: (Must have at least one)

Individual players not on a full team may not be competing with players they are competing with for individual medalist honors.

**DEADLINE:** Forms are due **August 31, 2022**. Email completed form as a word document to Kathie Smith at [ksmith@lhsaa.org](mailto:ksmith@lhsaa.org). Per LHSAA Handbook Article 7.2.4, a principal submitting a proposal must present that proposal to the Handbook Committee on **September 22, 2022**.

# Proposal to Amend Constitution or Bylaws

### PROPOSED AMENDMENT

Select Amendment Section (2022-2023 LHSAA Handbook):  Constitution  Administrative Bylaws  Athletic Bylaws

Specific Article or Bylaw Number(s) to Amend:

(Note: List all Bylaws within the section selected above that will be amended)

**Proposed Amendment Details:** (Note: To amend a bylaw please make **ALL** changes in **red**, strike through any deletions, and underline any additions. If proposing a new amendment to add to the Constitution or Bylaws select a new number in sequence with the section article or bylaw.)

### Proposed Amendment Changes

Bylaw 21.5.1

2. Players shall be seeded according to their (a) Verified ~~USTA Southern Standings~~ **UTR** rating unless there is verifiable head to head competition and (b) their current high school performance.

Bylaw 21.5.2

2. Players shall be seeded according to their (a) Verified ~~USTA Southern Standings~~ **UTR** rating unless there is verifiable head to head competition and (b) their current high school performance.

Please list ALL bylaws and/or articles that are affected by this amendment:

### Explanation of proposed amendment(s):

The Verified UTR rating is a much better and more fair metric for evaluating a player's true strength and standing at LHSAA regional tournaments than the USTA Southern ranking is. First, a USTA Southern ranking only takes into account one's play at USTA tournaments, which are decreasing in popularity and size across the state. However, a UTR rating not only takes into account results from USTA tournaments, but it also takes into account results from other competitive formats, such as official high school matches and scrimmages when reported properly, UTR tennis tournaments, and other kinds of regional tournaments that aren't sanctioned by the USTA. Secondly, USTA rankings disappear once a player "ages up" a division. For example, one could be highly ranked in Boys 16s, for instance, but once that player turns 17, all those ranking points disappear, and he has to start over to generate a 18s ranking. If this "aging up" happened right around a regional tournament, a highly competitive player wouldn't have a USTA Southern ranking because it disappeared a week before. Also, only "wins" at USTA tournaments produce ranking points, but a UTR rating is affected even when a player loses a match, because a UTR rating is based on how competitive one plays another player--not whether he or she wins the match. All of these factors contribute to the UTR rating as being a better determination of a player's strength since not all players play USTA tournaments.

**Pros:** (Must have at least one)

**Cons:** (Must have at least one)

A UTR rating determines a player's overall strength based upon multiple formats of play, such as local high school matches or scrimmages, UTR tournaments, USTA tournaments, and other kinds of tournaments not officially sanctioned by the USTA. However, the USTA Southern ranking only takes into account how players do at one particular format--USTA tournaments, but many players do not play these kinds of tournaments anymore because of cost and distance; consequently, players are sometimes not seeded accordingly at our regional tournaments.

Some people are uncomfortable with change.

DEADLINE: Forms are due **August 31, 2022**. Email completed form as a word document to Kathie Smith at [ksmith@lhsaa.org](mailto:ksmith@lhsaa.org). Per LHSAA Handbook Article 7.2.4, a principal submitting a proposal must present that proposal to the Handbook Committee on **September 22, 2022**.

**Bylaw 23.5.9** Substitutions on Relay Teams: A coach may substitute a contestant to participate with his/her relay team if the contestant's name is listed on the relay entry form provided to the regional meet director by the respective district meet directors at the conclusion of the district meet and if the substitute's participation limit of four events (including relays) is not exceeded.

~~Bylaw 23.6.12~~ A contestant may compete in a maximum of four state events (including relays).

**Bylaw 23.6.14** Substitutions on Relay Teams: A coach may substitute a contestant to participate with his/her relay team if the contestant's name is listed on the relay entry form provided to the LHSAA by the respective regional meet director at the conclusion of the regional meet, and if the substitute's participation limit of four events (including relays) is not exceeded.

Please list ALL bylaws and/or articles that are affected by this amendment:

### Explanation of proposed amendment(s):

To revert to NFHS track & field rules for entry and participation limitations. Contestants that are entered in up three individual events should be able to be listed as alternates on any number of relays. Contestants officially become competitors when they report to the clerk of course or field event judge for an event in which they are entered. Competitors shall only be able to participate in 4 events per NFHS/LHSAA rules as always.

**Pros:** (Must have at least one)

**Cons:** (Must have at least one)

- Follow NFHS track & field rules
- Coaches will have more eligible alternates for relays
- Will reduce scratches in the postseason meets reducing work for meet timers and directors

- Clerks of course will need to check for the 4-event limit when contestants check-in, which is already a primary role of this official.
- Coaches, timers, meet referees and directors will need to be mindful of the 4-event limit for contestants.

DEADLINE: Forms are due **August 31, 2022**. Email completed form as a word document to Kathie Smith at [ksmith@lhsaa.org](mailto:ksmith@lhsaa.org). Per LHSAA Handbook Article 7.2.4, a principal submitting a proposal must present that proposal to the Handbook Committee on **September 23, 2022**.

**23.3.12** The host school of a post season meet in classes C, B, and 1A shall comply with the order of events to be followed with Preliminary Events:

**23.3.9** The host of a regular-season and postseason meet shall comply with the order of running events and contest the field events as stated in SECTION 2 ORDER OF RUNNING EVENTS and SECTION 3 FIELD EVENTS in the NFHS Track & Field Rules Book. There shall be at least a 10-minute time allotment between running events. *Exception: Classes C, B and 1A shall not contest the 4x800-meter relay in postseason.*

**23.3.12** When preliminary events are required, the following order of events established under SECTION 2 RUNNING EVENTS ARTICLE 1b in the in the NFHS Track & Field Rules Book is recommended.

**Please list ALL bylaws and/or articles that are affected by this amendment:**

23.6.15 -state meet 4x400m and 3200m per classification can still run concurrently to facilitate the team awards process.

**Explanation of proposed amendment(s):**

To transition to the NFHS order of running events. With the addition of the 300 hurdles in 2006 and the 4x800 meter relay in 2019, the LHSAA now runs a full complement of the NFHS established running events. The LHSAA created its own order of events that was satisfactory until these last two events were added. The 300 hurdles and 4x800 meter relay are currently placed within the LHSAA schedule in non-traditional locations. Now that the LHSAA has approved all the NFHS running events, the proper order of events should be followed to provide equity between the distance, sprint, and hurdle groups and also adhere to the national standard for outdoor track & field. Large regular season track meets would be able to utilize the recommended preliminary schedule as stated in the NFHS rules book to help improve the flow and excitement of those meets as well.

**Pros:** (Must have at least one)

- Follow the nationally established order of events from the NFHS.
- Provides equity between distance, sprint, and hurdle groups and a better overall flow to track meets.

**Cons:** (Must have at least one)

- A change from normal
- Athletes, coaches and meet directors will need to learn, understand, and adapt to the NFHS order.

DEADLINE: Forms are due August 31, 2021. Email completed form as a word document to Kathie Smith at [ksmith@lhsaa.org](mailto:ksmith@lhsaa.org). Per LHSAA Handbook Article 7.2.4, a principal submitting a proposal must present that proposal to the Handbook Committee on September 23, 2021.

### Explanation of proposed amendment(s):

The NFHS passed a rule change to allow for 8 names to be listed on the relays. This proposal seeks to align the LHSAA with the NFHS and to streamline the postseason advancement of relays and alternates. Schools may list up to 8 contestant names for relay events and they will keep these same names throughout the postseason. Currently, with only 6 names allowed to be listed per relay, coupled with not allowing contestants with up to 3 individual events to be listed on all relays, schools have to change up their lineups from the district meet to the regional meet and from the regional meet to the state meet. These changes create a tremendous workload for the meet directors and timers, who not only have to send that information to the regional meets and the state meet but must also manually enter these changes from one meet to the next. The state office ends up refereeing instances where coaches forgot to submit relay name changes, or the meet directors failed to collect those changes and send them to the next director or meet timer.

**Pros:** (Must have at least one)

**Cons:** (Must have at least one)

- Aligns with the new NFHS rules change to allow 8 names to be listed on relays.
- Reduces errors in the postseason by coaches, timers and meet directors.
- Reduces the workload of timers and meet directors.
- More students can potentially be involved in a relay in the postseason to contribute to the team.
- Schools can run a B-team to qualify for each round of the postseason and still run their A-team at the state meet if necessary.

- Coaches cannot change their lineups for the relays in the postseason.

### PROPOSED AMENDMENT

Select Amendment Section (2022-2023 LHSAA Handbook):  Constitution  Administrative Bylaws  Athletic Bylaws

Specific Article or Bylaw Number(s) to Amend:

Bylaw 25.3.4

(Note: List all Bylaws within the section selected above that will be amended)

**Proposed Amendment Details:** (Note: To amend a bylaw please make **ALL** changes in **red**, strike through any deletions, and underline any additions. If proposing a new amendment to add to the Constitution or Bylaws select a new number in sequence with the section article or bylaw.)

### Proposed Amendment Changes

Bylaw 25.3.4 Competition shall be divided into the **14** weight classes as adopted by the NFHS Wrestling Rules.

Please list ALL bylaws and/or articles that are affected by this amendment:

Explanation of proposed amendment(s):

Starting in 2023 the NFHS adopted three different sets of weight classes; 12, 13, or 14. The LHSAA will need to select which weight classes will be used starting in 2023. Most of the participating wrestling schools would like to remain with 14. Additionally, our boarding states are adopting the 14-weight class structure as well which will make for an easier transition to participate out of state.

**Pros:** (Must have at least one)

The LHSAA currently operates 14 weight classes, and this adoption would not change the structure of wrestling in Louisiana; path of least resistance.

**Cons:** (Must have at least one)

Smaller schools or programs that cannot fulfill 14 weight classes are at a disadvantage in team scoring.

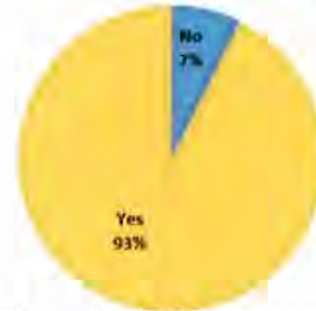

**DEADLINE:** Forms are due **August 31, 2022**. Email completed form as a word document to Kathie Smith at [ksmith@lhsaa.org](mailto:ksmith@lhsaa.org). Per LHSAA Handbook Article 7.2.4, a principal submitting a proposal must present that proposal to the Handbook Committee on **September 22, 2022**.
