LHSAA RELEASES 2024 FOOTBALL PLAYOFF BRACKETS

BATON ROUGE - The Louisiana High School Athletic Association (LHSAA) is excited to announce the release of the 2024 football playoff brackets. The much-anticipated brackets are now available for viewing, with all divisions posted on the LHSAA website at lhsaa.org/football. Fans, players, and coaches can access the brackets by navigating to the "playoff brackets" section at the top of the page, then selecting their desired division.

Due to a recent legal development, the Division II Select bracket reflects University Lab High School's record as 8-2. A temporary restraining order (TRO) was filed on behalf of the school, which has required the LHSAA to withdraw its previously imposed penalties and reinstate the school's wins until the legal matter is resolved.

We would like to thank our schools, fans, and community members for their patience and understanding as we work through this unique situation. We look forward to another exciting postseason and extend our best wishes to all participating teams as they compete for the championship.
